## Performance Comments

### Communication Comments

Jenn is able to communicate effectively and ask questions when in need of help and clarification.

### Collaboration Comments

Jenn is able to take assignments and complete in a timely basis.

### Professionalism Comments

Jenn generally behaves in a professional manner.

### Technical Knowledge & Expertise Comments

Jenn has demonstrated mastery of basic skills and technical knowledge. I would be interested to know what her areas of expertise are and/or where she wants to continue developing those skills.

### Workflow Implementation, Management, Execution Comments

While Jenn will take her assignments to completion and is very thorough in completing them, I would like to see more effort put into taking more responsibility for other areas of the project, such as multitasking and or taking on more workload when approaching deadlines.
