## Performance Comments

### Communication Comments

Akil demonstrates strong verbal and written communication skills.

### Collaboration Comments

Akil is a team player whose work ethic contributes to a collaborative and inclusive team environment.

### Professionalism Comments

Akil conducts himself in a professional manner.

### Technical Knowledge & Expertise Comments

Akil's technical knowledge is expanding as he gains more experience working on complex projects. On the 3rd Avenue MOB project, he has taken on the role as Job Captain/ CA lead. As he continues to progress towards becoming a Project Architect, it would be beneficial for him to continue to seek opportunities that allow him to engage in all aspects of a project and take the lead on its technical development and coordination.

### Workflow Implementation, Management, Execution Comments

Akil has continued to take on greater responsibility, supporting leadership in steering the process and keeping the project moving forward.
